TENANT SERVICES

Setting the standard in integrity and quality

Campbell and Kennedy has an extensive tenure in the industry and our enduring relationships with our clients produce uncommon results.

Campbell and Kennedy has a storied tenure in the industry, and our expanding relationships with our clients makes us a sought after commodity. Campbell and Kennedy is a recognized name in the commercial world and an approved contractor for pretty much any commercial building property in the GTA.

Campbell and Kennedy is built on a history of quality innovation and flexibility that dates back to 1955. Our success is largely a result of our steadfast integrity and clarity of purpose and solid caring employees. We set demanding standards for ourselves and apply these very standards to all that we do.

We adhere to the fundamental tenants of business that inspired us in the first place - respect for our customers, employees, and partners. Our open minded approach to the ever-evolving construction industry means we see possibilities and use them to our clients benefit. With a proven track record, we pride ourselves on providing quality installations on time and on budget.
